### The Premises:

Nice Flat in central Manchester near Oxford Road Station. Discreet, clean and tidy with a wet room.

### The Lady:

As per the pics on the website, but has lost some weight. That said, Sally is about a size 10-12, with fab boobs and a great bum. She is in my opinion, a real "girl next door" type of lady.

### The Story:

After a couple of really disappointing punts recently in MK, I was looking for a punt in Manchester and was taken by Sally's pictures, but slightly concerned at the lack of feedback on her and others at Cheshire Incalls. Even after my recent experiences elsewhere, I made a booking and set off for Manchester.

The receptionist on the phone was extremely helpful in clarifying what services were on offer, as I was looking for something more "specialist" and at the time of the booking guided me to the discreet apartment.

Sally was a genuinely lovely lady, very friendly, tactile, and easy to talk to. She asked if I minded taking a quick shower and when I returned still drying off, she greeted me with a cuddle and a kiss.

We started with a sexy light massage where she licked and nibbled me all over, before taking my cock in her mouth and giving some excellent OWO, all interspersed with kisses. She was open to trying new things, and happily used a couple of accessories that I had brought with me, and we only stopped to move to the bathroom for some Watersports. Sally produced a gold medal winning performance in this discipline!

More OWO followed before I shot my love custard everywhere.

We chatted about Manchester and her plans for her upcoming birthday, but she attempted to rouse me into a second round. We didn't manage it, so carried on chatting about her great boobs, bum, and the fine art of trimming pubes.....

It was a great hour and I would certainly visit Sally again.

I hope that she enjoys her Birthday with her friends on Canal Street!!
