The Lady:

Really pretty, a little shy at first but she soon came out of her shell. She has a really toned and tight figure with perky tits. She has about shoulder length brown hair, very attractive girl.

The Story:

I had a great time with Lola, having a really quiet and down to earth escort makes a change from the usual girls that I book. From our idle chit chat at the start she seemed like a really genuine and fun person to be around. She may of been a bit shy at first but once we got into the bedroom she was anything but. Honestly it was the best sex I've had in years, really passionate and really intimate everything seemed to just click. I'll definitely be booking Lola again.
