### The Premises:

Second-floor flat in escort-land. The public areas are more unloved than usual but the flat itself was clean and tidy.

### The Lady:

Cute face, stunning body, slinky black hair and great, shapely squeezey boobs (even if they are fake).

### The Story:

Stacy has been away on holiday and has clearly come back refreshed as I had a good 30 minutes of energetic sucking and fucking. Her oral technique is superb and she's a lovely lady like so many of them.

Anal is very much on offer but I didn't have the time to go there - apparently it isn't that popular amongst the Scots (or so she told me)!
