The Premises:

Central location in Lancaster Gate. Did not utilise parking.

Her flat was clean and cozy and had upscale bathroom facilities. A very welcoming private boudoir !

The Lady:

Shereen is a very attractive lady around 40 years old and of Mediterranean decent. She has a lovely colour and glow to the skin. She has beautiful seductive hazel eyes , a natural DD bust and an amazing ass. Her pictures do not do her justice... She is much prettier in real life!

The Story:

I had met Shereen once before when she was known as Salma. This time the experience was even better than the last time. She is a very skilled and amazing lover. I was pampered and spoilt as she catered to all my requests. Her oral skills are among the best I have experienced and her tongue touched me in parts of my body that I never knew could give me such pleasure... Absolutely mind blowing !

Shereen is gifted with a gorgeous ass. She allowed me to indulge my ass fetish to my hearts content. Although she does not allow anal sex she has phenomenal skills that fully satisfied an ass lover like me. Her pussy is tight and was very accomodating and responsive as we fucked once in the shower and the second time in her comfortable bed. This girl's ability to move and grind with my dick inside her had me pushed to the limit. At one point I was ready to cum but she begged me not to as she whispered In my ear to keep fucking her deep and purred to put my finger in her ass... That just pushed me over the top and I soon blew one of the biggest loads ever.It was probably the best sexual experience of my life and I have had my share of great ones!!

My only regret was that I could not spend the night with Shereen as I had an early flight. I look forward anxiously to our next meeting which I hope will be really soon.
