The Story:

I had actually booked to see Jojo, who used to advertise on the other site and who I have seen a few times (see my reports hereon Punternet). However when I arrived an older woman showed me through to a girl called "hannah". One of the big differences was that Jojo had no problems with DFK; here I was lucky to get a closed-lips kiss.

On the positive, nice breasts, erectile nipples, mid-twenties, pretty, nice ass.

Unfortunately I will not return however. I like a certain amount of honesty in my transactions.
