The Premises:

Well known, clean and pleasant and very efficient and friendly receptionist.

The Lady:

Star is a petite, fairly dark-skinned Venezuelan girl who is attractive, especially when she smiles. She has worked here for quite a while now but on this first meeting she still seemed rather sweetly shy.

The Story:

Having had a punt go awry and not happen, I rang and would have said yes to whoever was available at the time although hoped it would be a new star for me, Pixi.

But Star lived up to her name for me. I just wanted a feminine lady who would be friendly and happy to provide a positive experience and Star was that and more.

I didn't push to do much and she was happy to do it all - oral (with, I didn't ask for owo), 69, kissing, cuddles and sex in a couple of positions.

Star offered a massage to take up the remaining time but I settled for another hug and I left happy man.

Star is a really sweet, pretty and friendly girl and was just what I wanted.
