### The Premises:

### The Lady:

Hot English brunette with curves in all the right places! Mega busty and a fantastic peachy arse that you just want to get your hands on! Id say mid 20s and about 5ft 2 of fun! Photos are definitely her, for any guys who have doubts about the blurred pictures don't she is very pretty!

### The Story:

I found her by chance as I googled the area while working away, I clicked the wrong button and the agency's site came up, cant tell you how lucky I was! The highlight for me was the oily massage and happy ending from those amazing 34e tits, felt so great and seeing my cock slide between them was heaven! The way she looks you in the eyes and teases you when she dances is amazing gets me going like nobodies business! Hot curves.. yes amazing tits.. yes moves that make you almost pass out as the blood rushes to your cock.. yes she has it all I cant wait till next month and she promises to have more friends to play with by then! Next time I am around this way or using the airport I will definitely be returning.....thankfully me that's atleast once a month!
