The Premises:

HOD 1 easy to find very safe and central. Maid friendly and room comfortable. There are a few friends in the building.

The Lady:

A dream of blond hair, engaging smile, chatty banter. Chloe is all fun and her assets a pert arse clear mind and lean body make for a fun time.

The Story:

I entered and followed by Chloe we talked of this and that as my tongue went down her throat, she joked about the weather and my cock slipped into her waiting mouth. I had the sensation that my balls would explode. Her supple and lean body brushed against me and my tongue explored. Where my tongue went, my fingers followed and my cock finished. Chloe is a very professional fun woman. The 69 was a taste a lick and full on gasping for air. The cowboy with condom and energy had my senses just wanting more. I shot a bucket into Chloe as she sat deep on my cock. The few minutes left we spent relaxing and talking about the world. My balls were empty and a sex goddess had graced my dick Chloe is a fantastic fuck. I will return for more and I hope leave emptier lighter but satisfied and smiling.
