### The Premises:

Great. As said previously.

### The Lady:

Slim, sexy, attractive, great boobs. Mmmmmm

### The Story:

Started with a nice massage which didnt last too long. I made it pretty obvious that i wasnt too interested in a massage by lifting my hips off the table when she rubbed my thighs. What followed was a 25 min massage of my sensitive areas. I had the body to body so the teasing was interspersed with her wrapping my dick between her oiled up boobs. Now this feels so good and she he me cuming loads over them.

Valentia works elsewhere offering more. I so need to find the time to let her get really naughty with me.
