The Lady:

Chantelle is 27yrs and completely matched her profile photos. She is 5ft 4 and a slim size 10. She is a welcoming young lady and i immediately fell at ease with her.

I have now seen Chantelle several times and have always been well pleased.

She visits me and i also go to hers. She lives in a 1 bedroom flat in a quiet discrete area and has tidy flat.

I would recommend this lovely young lady and can put your mind at rest that she is reliable, does not rush you and is experienced at what she does!!

The Story:

Visits with Chantelle vary depending on my mood and she is always able to accommodate my needs and desires. She is decidedly versatile and always happy to try new things although she is certainly experienced! She is always happy and confident and is quick to understand what is required whether in submissive or more dominant role. She is very good at role playing whatever that might entail and her massages are sensual and skilled.
