The Premises:

Down market place on top of the tube station

The Lady:

First the good bits

1. Claire has a smoking hot body 2. Posh accent 3. Amazing breasts

The Story:

Now the bad bits

1. Clock watcher to a fine detail 2. The whole interaction is very mechanical 3. Does not kiss - well said she kisses on regulars but with the crap service I only wonder how many regular she has 3. She was so bad that I opted to leave in 15 mins

Dont go. She would not let me fondle her breasts, oral is only at the head without and attention to the rest, for sex she just turned around and got into doggie.

Really really bad.
