The Story:

This is my second visit/report on the fabulous Parissa and was just as good as the first time. We did all the usual things, she sucked my cock and I ate her pussy bringing her to a well received orgasm.

As to the sex, there was a point when this looked doubtful as there was a partial system failure on my part, but with some expert attention from Parissa this was resolved and we just about managed even though this took us over our allotted time by a few minutes, I think my earlier endeavours had counted for something.

Thanks Parissa you're a star.
