The Premises:

Nice parlour, friendly receptionist though wasn't offered a drink. Nice shower, functional and good decor and was pointed in direction of towels and bits.

The Lady:

Fit brunette, nice legs and bum, cute small boobs, lovely outfit (black & pink lingerie) and sexy shiny silver heels. Few tats but on the cool/tasteful not tacky/crap end of tattoos.

The Story:

Friendly lady, good conversation and felt at ease. Nice back massage with oil, turned me over and played with me, kissed round my stomach

, nice handjob then a nice covered blow job. Tried doggy style for a bit and lovely view but lost hardness a bit (not her fault, headed down there on a whim after awaking very horny but on an empty stomach and probably should have drunk more fruit juice first or had more toast first....), likewise missionary though as nice kissing and licking her nipples briefly.

Left it alone penetration wise and finished me off by laying me on my back and giving me a nice few minutes very oily handjob.
