The Lady:

Izabella is a little bit bigger than her photos show, but certainly pretty with nice boobs and bum.

The Story:

Difficult one really, at my age (70) I realise that girls may not be too enthusiastic about getting physical with an older guy, but I always ask the question when making the booking. Izabella started with some sexy lap dancing grinding her bum into me, but she doesn't like her back kissed. No kissing on the lips, either. Eventually clothes were shed and she gave me some covered oral. It was all a bit mechanical and unenthusiastic, we then tried some penetration, but her lack of passion put me off (I am a sensitive soul) so I finished myself off whilst she played with herself. She then got very anxious in case I had dripped on the bed!! I think with the right person it would work, but not for me.
