The Story:

Called at short notice to book Lizzy and luckily she was available. I like to see new girls as often as possible and she was looking promising from the photos, offering a wide range of services which is always good to know, although I am not into everything she has listed. Lizzy was great, she offered a great experience delivered with a great smile. She seemed very engaging and at times felt she enjoyed it as much as me. So yes she does what it says on the tin, looks better than her photos and worth every single penny.
