### The Premises:

Pleasant house in quiet residential road near town centre. Room clean as was bathroom for shower.

### The Lady:

Alice is a lady who looks only just her advertised 40 years with a smiley face and blonde hair. her figure is healthily rounded with full breasts. her English is quite good although somethings I said needed to be explained.

### The Story:

I was just looking for some sexy company on this visit and Alice supplied this. others might want a bit more and she might supply this in a longer meet or if the punter asks/pushes for it.

So there was a cuddle and hands roaming standing up and then naked we cuddled on the bed. Alice gave a prolonged oral with session while I let hands wander although could not touch much of excitement other than breasts.

Kissing was just on her cheek.

When I thought we ought to move on she was happy to oblige and we had sex in mish with her legs flat or up towards my shoulders alternately.

Not a burning and passionate event but as I said it was what I wanted at the time and I left satisfied.

Her profile suggests more involvement and you might want to get assurances on what you want before committing to a punt here.
