The Lady:

Pretty much as the pictures on the website, maybe a little less smiley in person, of course lovely pair of boobs and a great ass.

The Story:

Jessica had caught my eye for a while now, but never decided to book her, until she went and got those massive boobs and it swung things for me. Had a good time, took a few minutes to warm up, but we soon got going, she knows how to give a bj for sure, plenty of deepthroat, noisy, messy sucking, face fucking etc, great boobs to play with, titfuck, she's a game lass, plenty of sex on the bed, over the bed, looking out of a window (8th floor) in the bathroom, she certainly seems like she enjoys it. Finished in the end, with a big load over her face and tits. All in all very nice sex with a hot looking blonde who gets into it.
