The Story:

First time with Sarah although I am a long time regular of the establishment , Sarah has all that it takes to make her a success in this game . I was at once attracted to her and even more besotted when I noted her most beautifully sculpted bottom . I have no doubt her bottom has set many ass lovers into a frenzy as it did for me . I had to spend some quality time worshipping it and giving it the admiration it deserves . Sarah spent the rest of the time with a strap on making me delirious with joy and de stressing me In ways very few can . A class act and one to revisit .
