The Story:

Alex is my longtime favorite here . This review is more of an acknowledgment of all my amazing experiences with her .

I love her to bits and each time I enter her room I fall for her and surrender to her which gives me such joy and makes me so horny i can be

Convinced to pretty much do anything she desires . My personal favorite is her best in class prostate massage followed by a good fucking with a strap on. She exudes such power over me with so little effort this beauty is a wonder of the world .

A gem and a legend . Long may she rule over us .
