### The Story:

This was my first time meeting with Abbie. I booked her for an out call service at my apartment and she arrived at the expected time wearing a classy white plunging dress. It wasn't long before she removed her dress to reveal that she was wearing highly erotic white lingerie underneath (similar to the images on her website).

At this point we had oral sex which she was obviously experienced at as it was some of the best that I have ever had!

I would say that Abbie is very energetic and she also has the skills to back up her enthusiasm.
