### Details of Service Provider:

### The Premises:

Seemed like quite a homely place and not what I was expecting. As this is my first time using an escort I wasn't sure what to expect, although I had built an image in my head of red curtains, red carpet and red bedding. But it was completely the opposite, very clean and tidy.

### The Lady:

VERY attractive, I'm no good with heights but I'm 5'10" and I would say she's maybe 5'5" - 5'6", she's recently dyed her hair brown and was previously a red head. She has really large breasts for such a small girl.

### The Story:

As this was my first experience, I had sought assistance from members in the community forum who offered great advice. I was nervous and completely unsure what to expect or how it all starts. I'm recently divorced with a serious lack of confidence and I explained this in a telephone call prior to us meeting. Suzie was reassuring and did not pressure me into doing anything I didn't want to do. I won't go into great detail but I did manage to achieve something I hadn't with anyone else before, reaching orgasm through oral! I think it was the situation that helped and I am very grateful. I was wary about approaching this lady as she only had one review on her profile but as she was in an area that I knew none of my friends/relatives would see me and the reassuring phone call, I took the plunge. I've marked my review as 'neutral' purely because I don't have anything to compare it to. I would mark her as a 'yes' based on her skills to achieve something no one else has, but this was my personal requirement and may not be that of other people who wish to meet her.
