Ego Massage usual venue, with car park next door. Inside was clean and quiet, as usual.

The Lady:

In a word: stunning! Kristi is a brunette, I'd say about 5 foot 6 and the owner of a wonderful pair of enhanced boobs. Also, a very pretty face. Age is late 20s.

The Story:

I've been a number of times to Ego Massage and always enjoyed myself. I phoned up only about 20 minutes before to be told by the maid that a new girl was starting today and so I decided to take the risk and book her for an hour. Let me tell you something: this was a risk that paid off! When Kristi walked into the treatment room, I was amazed how pretty she was. And she had a wonderfully curvy body to match the face.

So here I was - Kristi's first customer on her first day at Ego Massage. I didn't hold much high hopes for the quality of the massage - but I was glad to be proved wrong! Her massage skills were up there with the likes of Poppy and Josie. Kristi's hands did their magic on me, soothing and relaxing me. Later on, her fingers started exploring the nicer areas, to great effect.

Kristi is great to talk to as well. Found out she used to be an independent escort, but has now decided to take up erotic massage - definitely a gain for Ego Massage customers!

All in all, I think Kristi will be one of the most popular girls at Ego - she's beautiful, well spoken and her massage skills are top notch!
