The Premises:

Central location, in the immediate proximity of Bayswater/Queensway stations. Safe, but parking could be very difficult. Flat was clean and tidy, do not remember many details though, my eyes were elsewhere...

The Lady:

Very pretty woman! Her pictures on most websites are, of course, photoshopped to an unnecessary degree. The pics on SAEL (as Rosey) are more trustworthy, and show a very sultry look, that made this punter weak in the knees from the get go. Gorgeous smile, that she was very generous with throughout. Natural boobs, a big b/small c-cup, begging to be kissed.

The Story:

She started out a bit shy and reserved, but after the first minute of hesitation she (well, we) got comfortable with each other, and she turned out to be very sweet and friendly. A proper GFE ensued, lots of cuddling and kissing, chatting and laughing. Ok, her English is not perfect, but we managed to communicate very well. When things started heating up she provided a wonderful and intimate service, making it easy to forget that it was business. I don't need extreme services, so I can't say if they are on offer. But if you like real, wonderful, girlfriend-sex... well, I know now that, if two-way respect is shown, Goldie can deliver with gusto. Totally recommended!
