### The Premises:

Safe and clean place. Discreet entrance and located close to city centre.

### The Lady:

Young, slim girl in great shape. Long dark hair. Small in height with a nice smile. Big breasts but not out of proportion.

### The Story:

Passing through preston and called VIP. Arrived and was introduced to the girls. Lilly greeted me in pink underwear and looked fantastic. Was shown to the room and Lilly joined me.

We began by chatting and relaxing for a while. I then gave her oral and she did the same for me. She doesn't offer owo which is a shame. I spent ages licking her and we fucked twice. Came too fast first time but the 2nd session was fantastic- sex in several positions left us both exhausted. She a stunning girl with a freindly personality.
