The Lady:

Selina is very tall, few hidden tattoos and short hair. Great tits for such a skinny woman. British although not from Manchester, cute accent and mannerisms.

The Story:

I went for a dinner date on this occasion based on Selina's reviews and pictures. Met near the restaurant about 15 minutes earlier than agreed because she was finished work sooner than expected. Suited me fine. Shy girl at first, nice teeth, and clearly takes care of her appearance. Dressed sexy but classy, couldn't not notice her legs when walking towards me.

Felt an immediate connection with Selina during dinner and was really looking forward to the private time afterwards. Finished dinner in just under 2 hours and took her back to the hotel to get down to the real business. Lots of oral bothways, she gets very wet when sucking cock and felt her orgasm as I was slowly fucking her mouth. Nice. Possibly a vanilla kind of girl but with some dirtiness mixed in at times. Took a good spanking and got wetter again during it. Doesn't take CIM which is a shame because her blowjob technique got me to the edge several times and finishing in her mouth would have been great. Two pops and almost one more before she left. We went over time and Selina seemed happy to stay longer. Get the impression she enjoys herself.

I recommend and plan on booking her again soon.
