The Premises:

GFE at Attercliffe, Sheffield. Parking right next to the premises with a discrete entrance to the rear of the building. The rooms are extremely well presented.

The Lady:

I was introduced to Charlotte, Jessica and finally Kendal. An embarrassment of riches - they are all beautiful. It was Kendal who really caught my eye though.

Kendal is far more beautiful in the flesh than her pictures on the website - one of the prettiest girls I have had the pleasure of meeting.

The Story:

It was my first time at GFE for about a year and what followed made me wonder why I had left it so long.

Kendal led the way up the stairs - I was in luck as we were on the top floor which gave me a longer time following her shapely legs and more up the stairs.

After taking care of the paperwork, Kendal left while I had a shower. She returned shortly after and whilst the details of what happened remain private, I can honestly say that it was the most intense 30 minutes I have had.

I really cannot stress enough what a great lady Kendal is - friendly, cute & dirty in all the right ways! Can't wait to get back soon - I certainly won't leave it so long next time.
