The Lady:

Very good looking. Brunette. 5' 8 ". Slightly more plump than website photos. She said she is Polish but website states Lithuanian. Great smile and personality. Spoken English sometimes hard to decipher but otherwise almost coherent.

The Story:

Met her outside Gatwick Hotel. We seemed to have instant chemistry & had a really nice 2.5 hours in hotel bar. We retired to the room where more wine flowed. Still difficult to put my finger on what exactly occurred. After she had too orgasms (so she said), she suddenly demanded more money for staying until 6.00am. In disbelief at sudden change in mood and attitude. Can only conclude that this tactic was preconceived. Time & fee was supposedly pre-agreed by email and telephone. (650 GBP for 8 hours or until 6.00am). Situation deteriorated rapidly into acted farce. She certainly got her value for money. Not sure yet whether she was ripping me off or her handlers were ripping her off. An interesting experience regardless.
