The Premises:

Flat just off Edgware Road. Easy to find, easy but expensive to park. Very easy by tube. Nice enough place on the 5th floor, clean bathroom with a good shower, nice bedroom with a large bed.

The Lady:

I knocked on the door with some trepidation after a couple of disappointing punts recently, but was delighted when I saw her. A lovely slim blonde wearing a purple underwear set I'd seen in the photos.

She smiled and said it was lovely to see me, then pressed her body against mine and kissed me, with her tongue playing in my mouth.

The Story:

She took me by the hand and into her bedroom where I was quickly shed of my clothes and pressed up against her soft flesh. Then her top was quickly off, her panties down and we were in 69 within minutes of meeting. Lovely deep BBBJ, which continued when she was toying herself. On to an enthusiastic shag, all done as if I was some sexy dude she couldn't get enough off. I guess her orgasms were faked, but very expertly done.

In the end I came in her mouth as she knelt in front of me. The time had flown by, and with ten minutes left I was expecting to be ushered out, but she lay with me and chatted, and offered a massage. She says she's a student and does this on and off because it's good money and she enjoys it.

From what I could tell, she does enjoy it, and has a lovely attitude. Thoroughly recommended.

My only observation is that I'm a single guy in his 50s. I've had the chance to settle down on multiple occasions with perfectly nice women, but why the hell would I when there's lovely young things like this around?
