The Lady:

Charlie was as described. Very attractive. Age and size seemed about right. Certainly a match to her supplied photos. Very intelligent woman and very easy to speak with

The Story:

Asked her to take a quick shower and then she joined me in the bedroom. Started off with nice seductive oral to make me very hard. She definitely knew what she was doing taking her time and trying her best to take my whole cock right to the balls. She received oral and seemed to get quite horny at this and liked getting her ass licked and fingered a lot. Then several positions including 69 and great anal before cumming over her face and tits. She was very energetic and eager to please taking my entire load.

Will definitely be coming back for more
