### The Premises:

A small apartment 5 minutes walk from South Kensington tube station. Easy to find, clean and functional.

### The Lady:

As photographed although I thought with a slightly oriental appearance. Hair was a little darker than photos - maybe time for new photos. Regardless, a petite blonde perfectly proportioned - just how I like it with no protruding bones!

### The Story:

I was running 5 to 10 minutes late for this one so showed up hot and sweaty - not clever and not my usual style. Nevertheless I still received a nice welcome before being directed politely to the shower. Once cleansed then the action began.

This was my usual "2 hour/2 pops" appointment. First time round Amity used her oral skills to the full before turning to cowgirl. I had actually thought it might be nice to test her A level skills but, despite her good efforts, we didn't get past the start gate on this (no fault of hers). Regardless, after a while the cowgirl was so enjoyable that it made all other thoughts redundant and we concluded round 1.

After a period of relaxed recuperation and smalltalk the oral activity continued. After a significant workout (for both of us) round 2 ended in doggy which was very nice with an extremely pleasant view.

Amity is young (nearly 21) and often I find with younger girls they lack the life experience to maintain interesting smalltalk during recovery time. This was not the case with Amity especially as she knows it's rude to talk with your mouth full. So, in summary, this was certainly a very pleasant experience. There was no clock watching - in fact the opposite - I was reprimanded by her for checking the time towards the end. My only small negative comment is that the FK was towards the light end rather than DFK. However, this really wasn't a major issue and so she gets 9 out of 10 and I would be extremely happy to return.
