The Premises:

Reasonable apartment in a well known escorts block near the canal.

The Lady:

More or less like the photoshopped photos. Great natural breasts. The usual smooth WG skin. Well presented in a sexy one piece outfit.

The Story:

Very friendly and playful girl. Talked about this and that (mainly how she was up all night partying...) before getting down to it. Covered BJ. Didn't mind this but the site states OWO. Sex in a few positions and had to slow down a few times to stop myself from cumming in her tight pussy. 25 minute in to the appointment, I came with her riding me vigorously. Cleaned up and chatted for 5 minutes before suggesting that we go again. 'I don't fuck twice in an hour' was the reply. I laughed but she certainly wasn't joking. Told me I should pay for a £300 an hour girl if I want to fuck more than once...

I've seen (but not reviewed) enough girls in the £150 bracket to know that I can reasonably expect to be engaging in sexual activity of one kind or another throughout the time I've paid for especially if GFE is the advertised service.

She didn't necessarily move to kick me out but proceeded to look at Instagram pics on her phone and tell me how tired she was from last night's partying.

What a shame. Should've stuck to paying £70 for 30 mins at divine.
