The Story:

Second time I've seen Cheryl after being suitably impressed with her from my first visit.

She entered the room looking very sexy in black bra and knickers covered by a very short black gown.

She offered a massage but I declined because I prefer to get straight down to business. After she undressed we stood naked kissing with me groping her ass while looking at it in the mirrors. This made my cock real hard so we got on the bed and she starting to suck me owo.

I like wet sloppy blow jobs so at my request Cheryl slobbered all over my shaved cock and balls , fantastic.

Then into 69. Cheryl continued sucking my aching cock while I licked her clean shaved pussy.

Then on with the condom and Cheryl got on top and fucked me in cowgirl while kissing and putting my head in between her ample natural tits.

I had to stop her after a short while because she was making me too horny and I didn't want to cum too soon , so we switched to missionary so I could watch my cock slide in her pussy in the mirror while kissing and looking at her beautiful face. I starting to fuck her faster and harder until I couldn't hold it any move then pumped my load into her.

Afterwards there was no rush and we chatted comfortably.

After the second visit I will definitely be seeing Cheryl again and money allowing will become a regular.
