The Story:

I've been curious about Alexis for a while, wondering whether to see her and I'm very glad I did! I arrived in a fluster, about 15 minutes late, to be greeted by a warm and stunning lady who quickly put me at ease with a smile and her friendly conversation as well as some very nice wine. I had a quick shower to freshen up and returned to the bedroom to find Alexis reclining on the bed wearing not much more than her stockings and a smile and I happily joined her for what was a very passionate and sensual shag. Was quite startled halfway through to notice the variety of her toys on the bedside table, but perhaps my tastes are more vanilla than some people! I was very happy with the more traditional activities, all of which Alexis performs extremely well. Her oral technique is quite something - she almost coaxed a second pop out of the old chap which sadly these days is unheard of! Good chat winding down and didn't feel rushed at all. All in all, a wonderful visit and I will certainly be returning to this lovely lady.
