The Lady:

Angel is elegant, stunning and a pleasure to spend time with. She seems to enjoy what she does and makes every effort to keep you happy. If you like a tall girls with trim figure and delightful personality then Angel should be high on your list.

The Story:

Have seen Angel a couple of times and she keep getting better. Entered the room in matching white underwear and kissed passionately. She kisses very well. Had booked an hour so there was no need to rush but the underwear was unnecessary and quickly removed. Angel is clean shaven and smelt gorgeous. It wasn't long before my lips were working my down to her delightful breasts which respond beautifully to attention. Dropping lower between her legs she always appreciates a damn good licking and came to a vigorous orgasm after a while.

Now, one of her real strengths is her OWO technique. One of the best there is. She has a wicked glint in her eye and maintains eye contact throughout. Not sure if she offers CIM but that wasn't what I wanted. I laid back and enjoyed her administrations but knew that I needed to get inside her. On with the condom and frenetic action began in a couple of positions. There is nothing mechanical about Angel - she is warm, charming and great fun to be with.
