### The Premises:

Helen's home is in a discrete desirable residential area with adequate and safe parking available. Her home is very presentable and nicely furnished. Shower and bath are provided with fresh towels

### The Lady:

A very attractive lady, with nice wardrobe very good figure. Helen is a more mature lady who gives a warm welcome and is very easy to talk to. She makes a point of putting you at ease from the moment you enter her door

### The Story:

First a pleasant conversation, a drink if you want it, followed by an assisted bath with intimate touching. Then to the massage chamber where you are invited to watch as Helen prepares. This is not a full sexual service but nevertheless there is very close contact with a very desirable attractive lady. She disrobes as she delivers an exquisite experience which impressed me with her expertise and touch. Altogether a remarkable and rewarding experience. I will certainly visit again
