The Premises:

Usual place. Behind the shops with easy access. Reasonably discrete. Plenty of free parking available. Always a warm welcome from the Maid, clean property.

The Lady:

Tall, slim, tanned and stunning is the best way to describe Rachel. Matched her profile pictures perfectly. Rachel is Gorgeous in every way, from looks and figure through to personality.

The Story:

This was a last minute appointment due to a late change to my plans, so knew I would be seeing a new lady. I usually see Josie, so my expectations were very high. When I arrived, Rachel was in the reception area as Millie opened the door to welcome me with her usual warm smile and I realised I had made a good choice. I was escorted upstairs and offered a drink, before being left in anticipation of Rachels arrival. She walked in and her face lit up with a stunning smile as she said hello with a kiss. As it was only a 30 minute appointment, some of the usual chit-chat was skipped and we undressed. As Rachel undressed, I was able to enjoy her amazing figure, before taking my place on the table. It always impresses me when a first visit to a lady is started by her asking whether you have any problems, what type of massage you like and generally gets a feel for whether you like to chat or not. Having gained the information she needed, Rachel got to work on a couple of tight muscles and delivered an excellent massage, with some very nice elements included. We chatted throughout and before we knew it our brief time was almost at an end. I was invited to turn over and although time was short, it never felt as though I was being rushed... it was more a case of looking at the gorgeous Lady on top of me and struggling to keep control.

Needless to say... things came to a natural end with lots of eye contact, smiles and sensual touches with me wishing that I had been able to spare much more time on the day and not just 30 minutes.

Overall, I have visited many girls at Ego and Rachel is One of the best. Have a great holiday Rachel and I look forwards to seeing you when you return from your holiday.

xx
