### The Premises:

The flat was really nice & clean, a short walking distance to the Underground. The shower was awesome and she offered refreshments on arrival.

### The Lady:

Very Sexy & beautiful lady. In my opinion she could stand in as body double for the American Film Actress; Penelope Cruz. Her description and photos were accurate. The only possible down side was a few tattoos which I could easily overlook given her level of beauty and service.

### The Story:

I highly recommend Perfect London Escort Agency and this particular escort. The young lady at the agency did a fantastic job matching me up with Martina, I honestly think she is the best out there. She was really fun to be with and at the same time was very hot & sexy with it was necessary. She was the perfect mix of GFE & PSE all rolled into one lady. I did not get to experience everything as she was just too sex charged for me to last too far beyond a smoldering double OWO & RO session which drained me pretty quick. This just means I will have to go back for a revisit. To anyone looking for the "right" escort girl I recommend let the agency reps know what you are looking for and they will find the perfect girl for you.
