### The Premises:

Gfe is still the best parlour in sheffield with best girls, only two available- all busy apart from Jessica whom i saw last week and is great and harley a newish girl who has worked in manchester before

### The Lady:

Young, curvy in right places, cute smile, tattoos, black hair, pleasnt personality but not a true gfe girl

### The Story:

Went for harley as like a nice curvy arse, initial gfe ritual cleaning shower while harley sorted the money. Initially basic service for 45

Came back , asked for an oil massage as tired, she only had talc and gave a cursory rub, i gave her a massage hoping i would have an erection- no luck, pleasant talk initially, she then tried oral with, as i was slowly getting aroused she offered a toy show for exrra 10, agreed then she asked if i wanted to do gfe and i agreed, we did a 69 after 30 secs of her sex toy show, came in her mouth in a few minutes, she charged another 30 for gfe and cim . I showered hoping to get a proper massage or a toy show in remaining time but her pants were back. I mentioned i did not paying the money but the service was hurried, she offered to lie down and do the toy show but i felt annoyed by then as her service was interrupted and hurried and no attempt to offer a true Gfe, every few minutes was offer of a new service and extra money

85 pounds wasted in 15 minutes , wont be seeing her again, should have seen jessica who offers a true unhurried gfe

Been going to gfe fir last 8 years and this felt like a ripoff
