Summer is about 5'3", long blonde hair.

The Story:

I have not done the domination/submission thing for quite some time. What I really liked about her was that it felt that she was there to have fun. I didn't feel rushed, she asked what I was looking for and was able to accommodate with no problem.

Just about everything is on the menu, I didn't feel she held me back at all, she was up for anything.

I definitely will use her again.
