The Lady:

Martina matches the pictures posted on the intimate massage website. Age, physical build from the host website are all largely accurate; she's very curvy in the right ways.

The Story:

This was the first time I had ever been to a massage studio or a WG. After I told this to the attentive and kind receptionist, who quickly but kindly showed me to a room as the waiting area was taken, she said with no hesitation: You need Martina! She offered to bring a number of women in, but I really did not want the stress, so I just said "Please send Martina, only."

Before I went that Monday, I had decided already that I was ready to start going, but might not be ready yet to do, um, everything right away. Martina was kind, attentive, gentle, sweet--and totally understanding and patient. Rolling around on a towel exchanging massages was more fun than I thought I would have, and I'm grateful to her for a great first experience.

So. If you have nervousness about going (like me), or you want someone who is sexy as well as deeply warm and good company, then Martin's your gal.
