The Premises:

Location is a town house on a quiet street with several rooms. There is plenty of off street parking nearby and about 15 min walk from Station. The venue is exceptionally clean with all the facilities shower etc. Punters are ushered through the venue by a door keeper who gives you a drink on the way. The venue maintains confidentiality through out and very safe environment for the girls and punters.

The Lady:

The photo's on the website are a genuine depiction of Chanelle. She is about five six in height quietly spoken black woman in her late twenties early thirties, though could easily pass as being 19.. She has enhanced boobs and a sweet pert bum. She has a great athletic figure and very beautiful face. She is shaved.

The Story:

Chanelle was a quietly spoken, hard working passionate lover and gave me an exceptional GFE.

Started with a gentle kiss to her lovely lips and mutual body kissing touching and caressing, moved onto covered oral, reverse oral and 69. Then to mish, cowgirl and doggy to finish. She was sweet and tight and very wet. Throughout she gave me encouraging murmurs and movements.

She did not disappoint me, I had thoroughly enjoyable sexual experience with a very beautiful woman, she is a great find and would recommend to any one. She has her limits of course but show her respect and she will respond in kind.

A very special woman.
