The Premises:

Town Centre hotel. No free access to rooms, so had to wait awkwardly in reception for the lady to come and let me in

The Lady:

Not sure if it's the girl in the photos - heavily photoshopped if so (although they are obviously commercial shots) but the girl who met me was very attractive. Very slim and tight body, big fake boobs, but a good boob job, well rounded. Perfect ass.

The Story:

Despite the hotness of the girl, the experience was very underwhelming. This was one of those where the girl has an excuse for not doing any of the advertised likes on her likes list that day - she is unwell, she's on medication blah blah. As a result it was a straight covered BJ and sex session. No GFE, no special attention.

She's worth seeing if you want to bang a very hot girl, but without any real connection. Otherwise, leave alone.
