The Premises:

GFE is a well appointed parlour with a discreet rear entrance and pleasant lounge where tea and coffee are available if you are waiting.

The Lady:

Cindy is billed as mid 30s, but she would pass for much younger. A small blonde with a lovely trim and firm body and magnificent tits (enhanced, but you would never know).

The Story:

A very busy parlour, I had thought that the middle of a Tuesday afternoon and I would get all four girls who were working to choose from, very optimistic, most were booked and I waited 15 mins for Cindy who I nabbed and took straight back upstairs as soon as she came down!

After a shower she stripped and got to work sucking my cock and licking my balls, she was so good at this that I took her up on £20 worth of arse rimming - boy is she good and willing. Couldn't wait to fuck her very tight pussy and took her doggy in front of the big mirror before pulling out and coming in her mouth.

Cindy is a charming and delightful girl, lovely to talk to and a filthy fuck. What more could anyone want?
