The Premises:

Safe and conveniently located flat near MK railway station. No shower facilities, but otherwise perfectly adequate, and nicely cool considering it was 34C outside. Plenty of cheap parking in that part of MK.

The Lady:

Elizabeth is every bit as pretty as her photos, but the photos do not do justice to her amazingly lithe young body. She tells me she is a size 6 and 5'8" tall, she looks even taller. I couldn't keep my hands off her flawless white skin and small but perfectly proportioned breasts.

The Story:

This was my first visit to MKE and I was made to feel welcome from the start. Elizabeth breezed in in a silk gown and 5" heels and any nerves disappeared instantly. We quickly agreed on a GFE with OWO and I laid back to let her do the work.

We started with some gentle kissing and cuddling (no FK) then a little RO on a tiny, nicely shaved pussy. Elizabeth then gave me a masterclass in OWO. Lots of deep strokes with plenty of tongue and lip contact, and happy to have a guiding hand on the back of her head. We moved briefly into 69 (with a lot of fingering) before the main event. The combination of such a tight little pussy and the incredible sight of Elizabeth riding me meant I wasn't going to last long so we finished with more OWO and CIM.

FK and swallow would have made this my perfect punt, but at the price it was amazingly good value.

I'll be back soon.
