The Lady:

Millie is a stunning Black girl, very petit (size 6-8) and gorgeous, she is early 20s with a stunning tight body, ass and nice big tits, her photos are good but she is so much better in the flesh

The Story:

She met me wearing a tight white satin basque, stockings and heels - she kept on the stockings and heels throughout. Offered me a massage but I wanted to get started. I explored her fantastic body while she undressed me then proceeded to give amazing OWO while we were in a 69 - and WOW what a view - i'd never get tired of that ass and pussy. We then had sex in all different positions she is wonderfully tight and I ended up finishing off in my fav position of doggy - All in All a fabulous punt.
