### The Premises:

A well known and practical hotel in Kensington high street

### The Lady:

as per her pictures but tanned, appeared to be taller, a nice looking woman !

Andrew tattoos but nothing to be afraid of.

### The Story:

A well experimented woman to this game, easy to talk to, friendly, she makes you comfortable from the very beginning.

Excellent services delivered with enthusiasm and great stamina, if I had one "complaint" would be to have a deeper French kiss but that's always a tricky thing..,

Had a hugely entertaining time with her, the time flew by ! I do recommend a visit with that lady.

A special thanks to Melissa @Bijoux ;-)
