The Premises:

Well known and pleasant

The Lady:

Tall, slender, black-haired and attractive face. Eye-catching enhanced boobs in contrast to slim figure.

Easy to talk to. I have now seen a range of figures for her height but she towered over little me in her heels but once she had removed her slinky, shiny bra and pants that were all she had on, her height rather left my thoughts.

The Story:

My regular wasn't there so I did what I don't like and chose from a brief meet with each girl. The other two were nice, smiley, full-figured ladies but Celeena stood out with her dramatic figure. Early on, I thought she might be a rather mechanical partner but I became increasingly aware that was not the case and that once she knew I was not out to push boundaries she was happy to do things and never stopped me enjoying her body.

After a good covered oral session (had only paid for covered), Celeena mounted me and did the work herself in different forms of cowgirl and then it was my turn as we changed to mish and in both positions it was great having sex with a lady with such a striking body and pretty face.

We finished a little early but Celeena made no move to leave and we ended up having a really good chat where I came to realise what an interesting, down-to-earth and likeable girl Celeena is.

I ended up being really pleased I had got to meet Celeena and without doubt will look forward to seeing her again.
