The Premises:

Basement flat in Earls Court terrace a few minutes walk from the tube station. There are two rooms available, I opted for the smaller one. Both are amply equipped. Bathroom also available. Was given a soft drink on arrival.

The flat as a whole is immaculate. Well looked after by the efficient receptionist.

The Lady:

Lucy was like a catwalk model towering over me in her heels. Her photos in no one way prepared me for her stunning figure and pretty face. Dressed in elegant black lingerie her breasts and bottom are perfectly sized.

Even by London Retreat's high standards Lucy is stunning.

The Story:

I told Lucy about my CP fantasy and she carried it out to the letter with a few added twists of her own. She threw herself into punishing me maintaining a cool air of dominance, scolding me well whilst turning my bottom red.

Suitably chastised I was then tied to the bed so she could sit on my face and my cock.

We then finished in energetic doggy style, managing to move the bed across the room.

An absolutely ecstatic half an hour. I hope she gets a well deserved regular slot soon.
