Ground floor flat in suburban street with a separate entrance at side well screened from road. Disc parking in road.

Nice large airy room with king sized bed. Shower and towel available.

The Lady:

Advertised in Blonde Yorkshire Escorts as early 30s which may be a bit optimistic. She is well built, not skinny, with a lovely firm arse and beautiful fully and firm tits. Has an attractive mittle European accent.

The Story:

Katya is a regular visit for me and never fails to deliver. Had a shower, and she stripped off and started very excellent oral without and gave my balls a good licking, she has a regular client customer base and isn't shy to talk about her experiences which I find a real turn-on. I took her from behind and enjoyed smacking her lovely big arse and fondling her tits, after pounding her, resting and pounding again I was getting towards my allowed time (not that she was clock watching). After I pulled out she resumed sucking and with the aid of a glove and lube gave me a prostate massage until I came in her mouth.

Katya is an oasis of satisfying sex in the dessert that is Harrogate. I cnat recommend her too highly.
