The Premises:

Very nice, modern town house style building. The party itself took place in a large party room with three large beds, chairs and the famous love swing.

The Lady:

Five ladies available; Barbara, Roxy, Selina, Ivana and Samantha (hope I've got the last two names correct).

The Story:

I've been to a few parties over the years including the previous Lady Marmalade Parties but this has to be the best experience I have had.

Not going to go into detail but Barbara, Roxy and Samantha were absolutely superb. Barbara made me feel a million dollars and like I was the only guy there (there were 6 or 7), very passionate and intimate.

Considering I'm not a big fan of tattoos or fake boobs, Roxy was a major turn on, what a body and bum, I couldn't believe how quickly she made me explode the second time around. As for Samantha she is sex on legs, and they are very long legs.

All in all I'd return in a heart beat but only if the same girls were available. Will definitely have to visit Roxy at Milton Keynes too!
